

KNR - Non-Residue VOID Seal

The KNR is a NON-RESIDUE reaction VOIDING self adhesive security seal. The seal leaves an easy to see VOID/OPEN security message in the seal material itself, while leaving NO adhesive residue on the sealed surface.

APPLICATIONS

- Doors and hatches
- Cars and Vans
- Remain Over Night (RON)
- IT equipment
- Sensitive areas
- Electronic equipment.
- Search & Seal POLSA use
- ATM Petrol/Gas pump seal

FEATURES

- Suitable for a wide range of applications
- Available in standard design stock sizes in blue
- Leaves clear VOID OPENED message on the seal itself upon removal
- Can be personalised in red, blue, black or green material
- Other colours available on larger quantities
- Smooth, easy to write on surface
